hereby jointly request, by their attorney, that the attendance of the undersigned at the discovery status conference set for February 24, 2016, be permitted by speakerphone as contemplated in Section 1.248(f) of the FCC's Rules and Regulations.

The undersigned attorney is a sole practitioner with offices in Garden Grove, California. He has obligations and commitments on the days, including February 23, 2016, leading up to the status conference. Traveling to and from Washington for this status conference alone would occupy two (2) full days. Additionally, such travel would be prohibitively expensive.

Such requests are commonly honored because they further the proper dispatch of business by removing issues of timing with busy counsel that might otherwise require hearings to be continued. The ends of justice are likewise served because it is not a valid purpose in this proceeding to deprive parties of the ability to participate due to exorbitant costs.

If this request is granted, the undersigned attorney pledges to listen carefully, to be patient, to assure that he identifies himself when speaking, and otherwise to do everything reasonable to assure a complete and accurate record.

Respectfully submitted,

William L. Zawila
